

Social Recreational Confederation (SRC)

This LVMAC program offering operates under the simple principle that one way for a community to truly look after the well-being of those who have defended our nation is to provide opportunities for them to participate in community social and recreational activities.

The beneficial, restorative power of relaxing and enjoyable activities – those which help to reunite military veterans with their families and their community – is not to be under-estimated. LVMAC specifically seeks opportunities in that vein provided at no expense.

If you are an organization interested in joining as a participating member or have an event you wish to bring to our attention, please contact us via the contact email address provided.
