

A DOCUMENTARY FILM

# OUT OF THE FIRE and INTO THE LIGHT

**This is not a war story.  
It is a journey.**

From the battlefields of Ramadi to the quiet battles at home, *Out of the Fire and Into the Light* follows a unit of American service members as they confront post-traumatic stress and pursue post-traumatic growth, highlighting the urgent need for healing emotional and mental wounds for veterans and all those impacted by trauma.

## Film Screening + Live Panel

Featuring members of the unit portrayed in the film
